

**REMARKS**

Consistent with our claim discussion via email and telephone in November 2009, new claims 30 and 31 are directed to a computer-readable storage medium. Claim 30 largely corresponds to allowed apparatus claim 15, and claim 31 largely corresponds to allowed apparatus claim 28. Further support for these claims may be found in the original specification at paragraphs [0021] and [0022]. In view of the claims canceled via Examiner's Amendment (and reflected in the above listing of claims) no additional fees are believed to be required for the addition of new claims 30 and 31.

A favorable response is earnestly requested. Should there be any remaining issues that could be readily addressed over the telephone; the Examiner is encouraged to contact the undersigned at 952.854.2700.

Respectfully submitted,
